ADDENDUM #1

DATE: February 26, 2009

REFERENCE: Request for Proposal #: R-LB-9027
Issue Date: February 13, 2009
Title: Civil Engineering Services
Sealed Proposal Due Date: March 11, 2009 @ 1:00 p.m.

ALL POTENTIAL OFFERORS ARE ADVISED OF THE FOLLOWING RESPONSES TO QUESTIONS RECEIVED TO THE REFERENCED SOLICITATION:

No.	Question	Response
1.	On page 7 of the RFP's under Section 11.8 "INSURANCE", it states that Professional Liability Insurance Coverage (errors and omissions) for Architecture, Professional Engineer: \$2,000,000 per occurrence, \$4,000,000 aggregate. Is there any chance to get the \$4,000,000 reduced?	No
2.	Insurance (Section 11.8.5.1 - Architecture, Professional Engineer: \$2,000,000 per occurrence, \$4,000,000 aggregate). Our firms current Professional Liability Insurance Coverage (E&O) is \$2,000,000 per occurrence and \$2,000,000 aggregate which was increased last year from \$1,000,000 respectively. As we have found this level of coverage to be adequate thus far and comparable to our competitors we had not heretofore considered increasing it further. Should we be awarded the contract we could procure such coverage but it would impact our overhead rates and we would not procure it until after the award, thus any COI that was sent to you prior the award and contract initiation would show our current limits. Alternately we were wondering if PWCPS would be willing to consider lowering the limit since the higher limits as specified are more applicable to Architects than Engineers.	No

ALL OTHER SPECIFICATIONS, TERMS AND CONDITIONS REMAIN UNCHANGED.
