

# Student Accident Insurance Available

## Student Accident Insurance Available with Markel Insurance

Student accident insurance will be available for parents to enroll their students for next year on July 1. Markel (PWCS student accident insurance provider) has established an electronic enrollment process through their website at <http://markel.sevencorners.com> or by calling 877.444.5014. This website will allow parents to:

- View all of the coverage and premium options;
- Review a “Frequently Asked Questions” section; and
- Purchase the insurance using a credit/debit card and receive an instant and printable confirmation of what they purchased.

Student accident insurance is becoming more and more important to families due to lack of other insurance for their children, or having major medical plans with ever increasing deductibles and co-insurance requirements.

### Public K-12 Accident Program

From the blackboard to the ball field, Markel offers a broad range of accident products for K-12 schools.
