GENERAL SCHOOL ADMINISTRATION

School Administration Authority

The Prince William County School Board shall recognize the principal at each school site as the administrator in charge. All personnel, both professional and classified who work in the school, are responsible to the principal and his/her designee.

The Prince William County School Board shall require that married couples not serve as administrators in the same building.

The Level Associate Superintendents are responsible for implementing and monitoring this policy.

The Level Associate Superintendents (or designee) are responsible for reviewing this policy in 2019.
