Disposition of Surplus Property

Property, other than real property, determined to be surplus may be disposed of by the most advantageous method. Property may be determined to be surplus if the items are unserviceable, economically unrepairable, obsolete, or no longer needed.

The disposal of surplus property will be by the method determined to be most advantageous to Prince William County Public Schools. Methods available include the following:

- Transfer to other county agencies;
- Sale to other school divisions or county governments;
- Sale by competitive bid or public auction;
- Trade-in value on the purchase of like items;
- Disposal as scrap for recycle; and
- Disposal as solid waste.

The Associate Superintendent for Finance and Risk Management (or designee) is responsible for implementing and monitoring this policy.

This policy and related regulation shall be reviewed at least every five years and revised as needed.
