Management of Underground and Aboveground Fuel Storage Tanks

The Prince William County School Board shall support and be in compliance with the Environmental Protection Agency, the Virginia Department of Environmental Quality, the County Fire Marshall, and all subsequent federal and local regulations regarding underground and aboveground fuel tank storage requirements.

The Associate Superintendent for Support Services (or designee) is responsible for implementing and monitoring this policy.

This policy and any related regulations shall be reviewed at least every five years and revised as needed.

Adopted: February 17, 1993
Review/Revised: May 8, 2019
