Health Examination

The Prince William County School Board shall require verification of freedom from communicable tuberculosis upon initial employment and may require other health examinations as deemed necessary by Code of Virginia and Prince William County School Board regulations.

The Superintendent shall have the authority to require additional physical examinations, to include but not limited to screening for substance abuse, when further medical review is deemed necessary by appropriate supervisory staff.

The Associate Superintendent for Human Resources (or designee) is responsible for implementing and monitoring this policy.

The Associate Superintendent for Human Resources (or designee) is responsible for reviewing this policy in 2017.
