INSTRUCTION

Curriculum Development

Prince William County Public Schools shall establish regulations that provide appropriate guidelines for the development, review, and revision of curriculum. Such guidelines shall reflect the latest research pertaining to teaching and learning and shall address curriculum alignment with the Standards of Learning. Guidelines shall also provide opportunities for innovative initiatives that are researched-based, support the mission, goals, and objectives of the School Division and can culminate in a better education for students. Schools and central office staff shall follow designated procedures in developing, seeking approval, and evaluating the effectiveness of new programs.

The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for implementing and monitoring this policy.

This policy and any related regulations shall be reviewed at least every five years and revised as needed.
