INSTRUCTION

Participation in Physical Education

The Prince William County School Board requires the improvement of student wellness and fitness as a part of the instructional program. Schools shall provide a program of physical fitness for every student in grades K – 12. High school diploma requirements include successful completion of two credits in health and physical education. All students are required to participate in physical education as a part of the total fitness program. It is recognized that situations occur when a student may need to be excused from various levels of participation. Accurate communication between the parent, physician, and school staff shall provide the proper guidance and accommodations to meet the needs of the student.

The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for implementing and monitoring this policy.

The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for reviewing this policy in 2020.
