School Counseling Services, Elementary, Middle, and High School

The Prince William County School Board requires that school counseling services be available to all students as a part of the total school program in order to assist them as they manage their academic, career, and personal/social goals. All schools shall develop and implement a comprehensive school counseling program as prescribed in Regulation 651-1, “School Counseling Services, Elementary, Middle, and High School,” to provide for a Comprehensive School Counseling Program which shall conform to the requirements of the Standards of Quality and Accreditation for Public Schools in Virginia, the regulations of the Virginia Board of Education, and the Standards for School Counseling Programs in Virginia Public Schools. Such regulation shall be approved by the School Board and constitute the policy of the School Board as required by law.

No student shall be required to participate in any personal/social counseling under the procedures set forth in Regulation 651-1.

The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for implementing and monitoring this policy.

The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for reviewing this policy in 2018.
