INSTRUCTION

Homework

The Prince William County School Board supports the appropriate use of homework to enrich, enhance, and/or extend the instructional program. Homework shall be incorporated as a meaningful component of the instructional program. Homework assignments should be understood by the student and should involve only work for which the student is ready. All assigned homework will receive feedback from the teacher.

Homework assignments shall be based on the teacher's assessment of the student's instructional needs. Teachers will use discretion in assigning homework so that it may be completed in a reasonable amount of time.

The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for implementing and monitoring this policy.

This policy and any related regulations shall be reviewed at least every five years and revised as needed.
