Education of Exceptional Children

The Prince William County School Board requires that educational opportunities shall be provided to all eligible exceptional students. These students include gifted students, special education students, and students eligible under Section 504 of the Rehabilitation Act of 1973. These programs are designed to educate and train exceptional children in accordance with the “Regulations Governing Special Education Programs for Children with Disabilities in Virginia,” and “Regulations Governing the Educational Program for Gifted Students,” adopted by the Virginia Department of Education.

The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for implementing and monitoring this policy.

This policy and any related regulations shall be reviewed at least every five years and revised as needed.
