Home Instruction by Parents and Partial Enrollment of Home Instruction and Private School Students

When the requirements of Virginia Code § 22.1-254.1 have been satisfied, instruction of children by their parents/guardians in their home is an acceptable alternative form of education under the policy of the Commonwealth of Virginia. Eligible home instruction and private school students who reside in Prince William County may enroll in Prince William County Public Schools (PWCS) at the middle and high school levels for up to two credit-bearing courses per semester and are eligible to participate in non-Virginia High School League extracurricular activities. Students for whom a disciplinary action is pending, or who have been long-term suspended or expelled from any school and are receiving home instruction, are ineligible for partial enrollment in PWCS or for participation in PWCS extracurricular activities.

The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for implementing and monitoring this policy.

This policy and any related regulations shall be reviewed at least every five years and revised as needed.
