Appeal of Student Matters

The Prince William County School Board provides appeal procedures for the resolution of a wide range of student complaints. One of the goals of site-based management is to resolve issues at the school level, or, if necessary, at the administrative level. Regulation 731-1, “Appeal of Student Matters,” summarizes the procedures and timelines for the appeal of various student matters, which are set forth in more detail in the specific policies and regulations identified in Regulation 731-1, “Appeal of Student Matters.”

The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for implementing and monitoring this policy.

This policy and any related regulations shall be reviewed at least every five years and revised as needed.
