Standards of Quality

The Virginia Constitution and the “Code of Virginia” require the Virginia Board of Education to prescribe standards of quality for the public schools of Virginia, subject to revision only by the General Assembly. These standards, found in the “Code of Virginia” at §§ 22.1-253.13:1 through 22.1-253.13:10, are known as the Standards of Quality and encompass the requirements that must be met by all Virginia public schools and school divisions.

The Prince William County School Board develops policies and the Division Superintendent implements regulations and procedures in accordance with the requirements of the Commonwealth of Virginia.

The Deputy Superintendent (or designee) is responsible for implementing and monitoring this policy.

This policy and related regulations shall be reviewed at least every five years and revised as needed.
