Library Media Centers

The Prince William County School Board supports the concept that the ability to access and use information is a basic skill for lifelong learning; therefore, school library media centers shall ensure a high standard of electronic and print resources. The necessary equipment, materials, and services to pursue the objectives of the instructional program shall be provided and maintained for the use of students, teachers, and staff.

The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for implementing and monitoring this policy.

The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for reviewing this regulation in 2020.
