Guidelines for Student Recognition

The Prince William County School Board shall encourage consistent, meaningful recognition of academic achievement for students in grades six–12. To that end, school staff will be required to follow guidelines set forth in Regulations 664-1 through 664-5 to determine eligibility for honor roll, principal’s honor roll, academic letter award, National Honor Society, and National Junior Honor Society.

The Associate Superintendent for Student and Professional Learning (or designee) is responsible for implementing and monitoring this policy.

This policy and any related regulations shall be reviewed at least every five years and revised as needed.
