STUDENTS

Psychological Services for Students

The primary function of the school psychologist and other mental health professionals is to assist students, parents, administrators, and school staff with problems related to a student's academic achievement, peer interaction, behavior, and social/emotional development.

The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for implementing and monitoring this policy.

The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for reviewing this policy in 2020.
