COMMUNITY RELATIONS

Foundations and Basic Commitments

The Prince William County School Board believes community involvement is critical to the success of the School Division and the education of its students. Therefore, the School Board encourages close interaction between the school and the community in order to accomplish school objectives and contribute to the improvement of the community.

The School Board directs that public involvement be a part of the communication and decision-making process for the School Division. Community needs shall be assessed periodically by school staff and used in the establishment and/or revision of up-to-date policies, goals, and objectives.

The Associate Superintendent for Communications and Technology Services (or designee) is responsible for implementing and monitoring this policy.

The Associate Superintendent for Communications and Technology Services (or designee) is responsible for reviewing this policy in 2018.
