

## COMMUNICATIONS SERVICES

Public Information Program

The Superintendent shall use all available interschool communication regarding community programs and scheduled activities or events which are believed to have educational or recreational value and shall keep the public informed of Prince William County Public Schools programs, achievements, needs, and objectives. Appropriate personnel shall be available to confer with parents and interested citizens on any matter relating to the educational program. The news media shall be provided with timely and accurate information.

The Associate Superintendent for Communications and Technology Services (or designee) is responsible for implementing and monitoring this policy.

This policy and any related regulations shall be reviewed at least every five years and revised as needed.
