Public Solicitations in the Schools and Annual Employee Charitable Campaign

The Prince William County School Board shall permit no campaigns in the schools for the collection of money without prior approval of the School Board, except as otherwise provided by School Board policy or regulation.

The School Board encourages its employees to participate in the annual employee charitable campaign coordinated by the School Division, and authorizes the Division Superintendent, or designee, to establish eligibility criteria for participation in such campaign for the purpose of providing access to a wide variety of local, state, national and international 501(c)(3) charitable organizations, ensuring integrity in the solicitation of contributions, and minimizing disruption to the educational and administrative functions of Prince William County Public Schools.

The Associate Superintendent for Communications and Technology Services is responsible for implementing and monitoring this policy.

The Associate Superintendent for Communications and Technology Services is responsible for reviewing this policy in 2019.
