COMMUNITY RELATIONS

School Visitors

Parents and interested citizens are invited to the schools to observe the instructional program and related activities. Parents are especially encouraged to visit the schools on days scheduled for conferences with teachers, special school programs and projects, parent–teacher meetings, and back-to-school nights.

Principals shall establish procedures to ensure that no visitors engage in activities on Prince William County Public School (PWCS) property which are disruptive to the educational program; detrimental to health, safety, or PWCS property; or are in conflict with Prince William County School Board policies or administrative regulations. These procedures shall be posted and communicated to parents and visitors.

The Associate Superintendent for Finance and Support Services (or designee) is responsible for implementing and monitoring this policy.

This policy and any related regulations shall be reviewed at least every five years and revised as needed.
