COMMUNITY RELATIONS

Public Concerns and Communications with the School Division

The Prince William County School Board encourages open communication between the School Division and the school community on all matters relating to the operation of the public schools. The School Board has established procedures under which concerns of the public, parents, staff, and students may best be addressed and resolved. These procedures are set forth in the specific School Board policies and regulations referenced in Regulation 940-1, “Public Concerns and Communications with the School Division.”

The Associate Superintendent for Communications and Technology Services (or designee) is responsible for implementing and monitoring this policy.

The Associate Superintendent for Communications and Technology Services, (or designee) is responsible for reviewing this policy in 2018.
