COMMUNITY RELATIONS

Relations with Community Organizations

The School Division shall cooperate with community organizations which seek to improve educational opportunities for all students in a manner which is consistent with applicable law and the goals and educational mission of the Prince William County School Board. Such organizations shall include, but are not limited to, non-profit, non-partisan, and governmental agencies which promote the general public interest and the educational welfare of students and employees, such as social services, recreation, health, safety, fire, civil defense, and law enforcement agencies.

The Prince William County School Board shall cooperate with parent-teacher associations and similar organizations which involve parents in school programs; with businesses and community groups; and will form public/private partnerships to further innovative programs and enhance educational excellence consistent with the goals of the School Division.

The Associate Superintendent for Communications and Technology Services (or designee) is responsible for implementing and monitoring this policy.

This policy and any related regulations shall be reviewed at least every five years and revised as needed.
