HUMAN RESOURCES

Solicitation and Selling

Solicitation and/or selling on school property is discouraged. Employees engaged in solicitation or selling on school property shall first secure the advanced written approval of the principal/site manager and the associate superintendent. Employees shall not sell or solicit on the job site while performing their regular assigned duties or during their scheduled work hours.

The Associate Superintendent for Human Resources is responsible for implementing and monitoring this regulation.

The Associate Superintendent for Human Resources (or designee) is responsible for reviewing this regulation in 2016.
