PERSONNEL

Professional Rights and Privileges

1. Teachers and their professional representatives may use school buildings in accordance with the Community Use of School Facilities Manual.

2. Teachers who are duly authorized representatives of their job-related professional associations may utilize school equipment and facilities and otherwise conduct official professional association business on an informal basis on school property, during school hours, and at other reasonable hours provided that such use does not interfere with normal school operations and that the association pays for the reasonable costs of all materials and supplies, as well as repair or breakage of equipment incident to such use.

3. Teacher professional associations, in the performance of the association's professional activities, may use the inter-school mail facilities and shall have the right to place notices, circulars, and other materials on faculty bulletin boards and in teachers' mail boxes. Political advertising is excluded from this provision. However, advertising related to political matters concerning candidates for office in the local, state, or national levels of their association is not prohibited.

4. Abuse or misuse of the rights and privileges set forth above shall result in possible revocation of the above rights and privileges at the option of the School Board.

The Director of Personnel in cooperation with the Director of Risk Management and Security and the Director of Information Services shall be responsible for the implementation and monitoring of this regulation.
