INSTRUCTION

Instructional Standards

Responsibility for the development and continuous improvement of the Prince William County Public Schools curriculum rests with the Office of Student Learning. Each school contributes to the delivery of instruction aligned with the approved curriculum. The Level Associate Superintendents and the Associate Superintendent for Student and Professional Learning work with principals and curriculum supervisors to:

I. Provide instructional leadership to the schools individually and Divisionwide.

II. Coordinate the planning and development of the Division’s instructional program.

III. Work with teachers of the individual schools to develop and adapt the curriculum to provide lessons to meet the needs of all students.

IV. Identify best practices to promote and share with principals and teachers.

V. Coordinate the selection, ordering, and distribution of instructional materials and equipment.

VI. Assist in the selection and evaluation of instructional personnel.

VII. Communicate and promote instructional programs to the community.

VIII. Provide leadership and coordination during the budget process for instructional program needs.

The Associate Superintendent for Student and Professional Learning (or designee) is responsible for implementing and monitoring this regulation.

This regulation and related policy shall be reviewed at least every five years and revised as needed.
