INSTRUCTION

Instructional Supervision

The Prince William County Public Schools Professional Performance Process shall be followed for professional educators, educational leaders, and central office administrators. The purpose is to ensure supervision of instruction, providing feedback to promote continuous improvement, and to evaluate teaching performance and its impact on student learning.

The Associate Superintendent for Student and Professional Learning (or designee) is responsible for implementing and monitoring this regulation.

This regulation and related policy shall be reviewed at least every five years and revised as needed.
