INSTRUCTION

Reporting

Principals shall ensure that student evaluation is conducted on a regular basis.

Procedures for assignment of grades and reporting to parents shall be established by the Director of Student Learning.

When weather-related closings occur within the last two days of a grading period or on any day between the last day of the grading period and the day report cards are scheduled to go home, the grade reporting timeline shall be moved forward one day for each day school is closed.

The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for implementing and monitoring this regulation.

This regulation and related policy shall be reviewed at least every five years and revised as needed.
