Honor Roll – Grades 9-12

Each high school principal or his/her designee shall determine those students eligible for the honor roll and principal’s honor roll twice per school year.

I. Honor Roll Criteria

A. A student’s semester one grades will be used to determine first semester honor roll status. A student’s semester two grades will be used to determine second semester honor roll status.

B. If a student is enrolled in a semester-length course, the final grade for that course will be used to determine honor roll status. A semester course taken during the first semester will be considered for the first semester honor roll. A semester course taken during the second semester will be considered for the second semester honor roll.

C. In order to be eligible for the honor roll, a student must have earned a grade equivalent of 3.0 or better in each course for the appropriate semester.

II. Principal’s Honor Roll Criteria

A. A student’s semester one grades will be used to determine first semester principal’s honor roll status. A student’s semester two grades will be used to determine second semester principal’s honor roll status.

B. If a student is enrolled in a semester-length course, the final grade for that course will be used to determine principal’s honor roll status. A semester course taken during the first semester will be considered for the first semester principal’s honor roll. A semester course taken during the second semester will be considered for the second semester principal’s honor roll.

C. In order to be eligible for the principal’s honor roll, a student must have earned a grade equivalent of 4.0 or better in each course for the appropriate semester.
The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for implementing and monitoring this regulation.

The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for reviewing this regulation in 2020.
