INSTRUCTION

Special Education

Special education shall be provided in accordance with “Regulations Governing Special Education Programs for Children with Disabilities in Virginia,” and federal laws and regulations.

The implementation of special education according to all applicable laws, regulations, and policies shall be described in the Office of Special Education’s “Procedural and Guidance Documents.” These documents shall be the official source of all information regarding special education administrative procedures. The manual shall be distributed to all principals and staff designated by the Office of Special Education. The Office of Special Education shall review and revise the manual as appropriate. Manual holders shall be responsible for maintaining current manuals.

The Associate Superintendent for Student Learning and Accountability (or designee) is responsible for implementing and monitoring this regulation.

This regulation and related policy shall be reviewed at least every five years and revised as needed.
