STUDENTS

Physical Examinations for Athletics

I. Physical examinations shall be administered by a licensed physician as a part of the requirement for participation in the senior high school and middle school athletic programs.

II. Students who have been examined once during the period May 1 of the current year through June 30 of the succeeding year do not have to be examined again during that period unless they have had serious injury or a serious illness.

The school principal and the appropriate Area Associate Superintendent will be responsible for the monitoring and implementation of this regulation.
