Physical Examinations for Athletics

I. Physical examinations shall be administered by a licensed physician as a part of the requirement for participation in the senior high school and middle school athletic programs.

II. Students who have been examined once during the period May 1 of the current year through June 30 of the succeeding year do not have to be examined again during that period, unless they have had serious injury or a serious illness.

The Associate Superintendent for Student and Professional Learning (or designee) and the school principal are responsible for implementing and monitoring this regulation.

This regulation and related policy shall be reviewed at least every five years and revised as needed.
