

Play Ball! Brentsville District, Potomac, Gainesville, Patriot, and Forest Park high schools recently participated in the [Miracle League Program](#) at the George Hellwig Park in Manassas. Students of all abilities were able to experience the joy of playing baseball on a special rubberized 60' diamond shaped surface field that accommodates wheelchairs and other devices while helping to prevent injuries.

Please view the student activities from the event, and [additional information](#) about the program and [registration for the Miracle League Program](#) starting on Saturday, May 14.
