

Rhithm App Tool

Opt-Out Form

Complete and return this form only if you DO NOT want your child to engage in the Rhithm App tool that is being used at your child's school.

An opt-out request will become effective from the day it is received by the school and will remain in effect for the duration that your child is enrolled at his/her present school, unless the opt-out request is rescinded in writing by his/her parent or legal guardian. Opt-out requests will not transfer from school to school. A new opt-out form will need to be completed each time your child changes schools.

I am requesting that my child, _____, in _____ grade, not engage in the Rhithm App tool that is being used at my child's school.

I understand that engagement in the Rhithm App tool is separate from the school's academic and school counseling program.
