

Northern Virginia's Regional SeaPerch Challenge Logo Design Challenge

Background:

Engineers are Communicators. Teams are challenged to create a unique branding that incorporates many aspects of the competition, their school and their team. Teams will present their Logo design to a panel of judges.

LOGO DESIGN RULES:

- Include the team's name
- Include the team's number
- Illustrate an original design
- Include objects to reflect the Seaperch Challenge
- School colors

Logo Design must be displayed on:

- Team shirts
- Engineering Notebook Cover
- Innovative Design Poster
- Team ROV bucket
