

Speed Challenge

This challenge takes place in open water, in a designated lane.

The run will be half the length of the pool.

THE FASTEST TIME WINS!

- Start of Run –The ROV is submerged behind the starting line AND the controller is on the pool deck. TIME STARTS when the controller is picked up.
- During the Run – ROV must remain submerged for entire run. Tether may NOT be pulled to assist ROV
- End of Run – TIME STOPS when ROV touches the wall.

Disqualifications:

- 2 False starts ends the run
- pulling on the tether to assist the ROV ends the run
- Diver assist ends the run
