Mission Statement:

The mission statement of the Parent Resource Center is to assist parents and families of children with special needs to become active participants in their child's education through information, empowerment, and encouragement.

- Support parents through listening to their concerns;
- Educate parents of the special education process;
- Provide school and community-based information and resources to local, state, and national agencies;
- Maintain a free lending library on topics related to special education, disabilities, and parenting;
- Provide information on summer camps for students with special needs; and
- Provide workshops, often in collaboration with community agencies, that address the concerns and questions of parents and educators related to special education and disability.

The Parent Resource Center is open Monday through Friday from 8 a.m. to 4:30 p.m. for lending library items. To speak with a Parent Resource Specialist, contact the Parent Resource Center to schedule an appointment. Sign language and world language interpreter services are available upon request.
