Call to Order: Jaime Van Echo 1905

Approval of [February Minutes](#):

At every meeting of the SEAC, an opportunity is provided for visitors to make public comment. It is received without SEAC comment. The public comment is summarized in the SEAC meeting minutes. The SEAC is always looking for ideas and suggestions from students, parents and teachers that will improve the education of children with disabilities. The SEAC requests that any concerns expressed include general comments dealing with global issues rather than a specific comment dealing with a personal matter or situation. The Committee suggests that you address concerns about personal situations directly to the Office of Special Education. In accordance with HIPAA regulations, please refrain from using the names of students, teachers, or schools. Please use the comment box in the virtual meeting to identify your first and last name and magisterial district for the minutes.
